Leslie Weaver, Chatham County Agent

Education: Fort Valley State University Family and Consumer Science / Infant & Child Development

Programming focus: Chronic Disease Prevention/Healthy Lifestyles; Food Safety and Preservation; Positive Development for Individuals, Families, and Communities

My role as Family Consumer Science and Expanded Food and Nutrition Education agent is promoting and supervising educators in the Expanded Food and Nutrition Education program which focuses on healthy eating on a budget for limited resource families. While working in the area of Family and Consumer Sciences (FACS) providing unbiased research-based resources and educational programming to Chatham County citizens stressing the importance of chronic disease prevention, and life skills, through healthy lifestyle choices.

County Media: Savannah Morning News, WTOG, WSAV
